**Attention: Isiah Mharapara**  
Agricultural Research Council  
Harare  
Zimbabwe

Dear Dr. Mharapara

**RE: Harmonized Seed Security Project (HaSSP) National Training Workshop on aligning the variety release and seed certification and quality assurance system to the SADC Protocol.**

FANRPAN would like to inform you about the upcoming HaSSP National Training Workshop on aligning the variety release and seed certification and quality assurance system to the SADC Protocol.

The objectives of the workshop are to:

- Increase awareness on the requirements for aligning national seed certification and quality assurance systems to the SADC protocol.
- Increase awareness on the requirements for aligning national variety release legislation and practice to the SADC protocol.

The dates for the two day workshop in Zimbabwe are: 25- 26 July 2012.

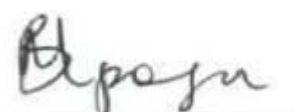

FANRPAN request you as the node to prepare a list of the participants to invite. The invitation list should include:

- Seed inspectors (National Authorities)
- Seed Analysts (National Authorities)
- Seed Industry
- Farmer's Unions
- Extension workers
- HaSSP Seed growers (especially those appointed to coordinate the activities of the seed producers)

Please note that you are required to submit the list of participants to be invited to FANRPAN before sending out the invitations.

In addition to this, provide three quotations for the venue to enable the finance department to process payment. Also prepare a budget for the national workshop and work according to the allocated budget of 7 000 USD.

Yours Sincerely

Dr Bellah Mpofu
